THE OFFICER EXONERATED.

Another killing in Sliver City, the second since the first of the year, and the fourth in Grant county in less than a month, occurred early yesterday morning, says the Bilver City Idependent. The victim was a man named Hilario

Garota. He was shot by Constable Jose Montes, jr., and died within a few momenta Nestor Morales, a bystanier, was hit in the leg by the bullet, after it passed through the hody of Garcia, and quite seriously wounded.

According to the sestimony given before the coroner's jury, the killing was 488,758 tons. entirely justifiable.

The tragedy took place about five minutes after 6 o'clock yesterday morning on south Bullard street, almost imas it did on the morning of precinct election, at which Mr. Montes was a excitement and comment.

Mr. Montez came in a rew minutes bepassed Montes made come instilling remarks to him, and the latter followed Garcia outside. Then according to the story told by Montes and substantiated ; by other witnesses the dead man grabhed Montes by the coat in an effort to engage him in a fight, and about the same time drew a long darger, and made towards Montes. The constant warned him to stop which Garcia faled to do, and Montes drew his all

shooter and fired. The aim of the constable was a true one. The bullet entered the left side of Garcia, par the shoulder and ranging downward and passed through the body and out on the right side stiking Morales who had rollowed the men to the street and was standing knee and inflicting an ugly would. Mr. Montes has not been arrested, no action having been taken by the authorities on account of the ventior sendered by the coroner's tury. The tragedy has caused universal regret, no only on account of the unfortunate phases of this particular affair, but also owing to the unenviable reputation which the county is gaining for mur-
